

House Features

Accessible features

Private ensuite

Private courtyards

Onsite support

Assistive technology ready

Storage

Specialist Disability Accommodation

This unique home design offers the best of both worlds - your own private area with the social opportunity of shared living with other people. Each bedroom has its own private ensuite and courtyard. Shared areas include a large open plan kitchen and dining room, two living areas, a large laundry, lockup garage and landscaped garden.

Spacious and accessible kitchen
